

**Robert D. Barker, M.D.,** Phoenix, is one of eleven Maricopa County residents who journeyed to Chito, Ecuador in January to climb Chimborazo, a 20,561 foot peak situated just south of the Equator. Dr. Barker was the only physician in the group which included an airline pilot, attorney, insurance agent, engineer, legal secretary, student and two firefighters.

## Physicians in the News

---

**Henry M. Snell, M.D.,** Lake Havasu City, has been elected chief of the medical staff at Havasu Regional Hospital for 1986. **Sheridan L. Daines, M.D.,** was elected vice chief of staff and **Jeffrey J. Carls, M.D.,** is the new secretary.

**Robert E.T. Stark, M.D.,** Phoenix, will serve as president of the American Society of Bariatric Physicians until October, 1987. The Society has a membership of 600 physicians in the United States and Canada. Dr. Stark has recently authored a book, "Controlling Fat for Life," a description of a new nutritional approach to long term weight control.
